To

The Hon'ble Minister for

Local Self Government, Government of Mysore,

Bangalore

Respected Sir,

We the undersigned residing in the land called Patel land of Siddapura village, behind Lalbagh, Bangalore, most humbly and respectfully beg to bring the following few lines to your kind and sympathetic consideration with a view that our humble prayer would meet with success:-

xxx
L.S.G. Secy
May be sent to the Chairman, Trust Board, Bangalore for needful action
8/9/56

We like to bring to your kind notice that in this land there are 157 houses(Huts and some mangalore tiled roof houses-list enclosed) and the population of this locality is nearly 600 to 700. We are residing in this locality for the last 50 years and ground rent is being paid to the owner of the land regularly and inspite of this in the notices issued by the City improvement trust board they say that we are unauthorised occupiers and cannot understand what they mean by calling us unauthorised occupiers.

11/9/56

In this connection we may be permitted to mention here that the land in which we are now having our dwelling quarters is acquired by the ~~Corporation for the~~ City Improvement Trust board for the extension of Lalbagh and notices have been issued to us already demanding us to vacate the said land and we have to vacate the same as early as possible.

We submit that if we are evicted from the present land, we will have no other place to shift our residences. Most of the residents in this locality are poor labourers working in several mills and in other private factories. As far as our knowledge goes, we think there is no suitable corporation land near to our residences so that we may shift our families to the said land. The only land that is now available which be-

belongs to the City Improvement trust board is the land situated in Jainagar extension, Bangalore(by the side of Byrasandra). This land is quite sufficient to accommodate all the 157 families.

In the light of the above circumstances, we most humbly and respectfully beg of your honour to be kind enough to direct the Chairman, City improvement Trust Board, Bangalore to allot us the said land on any terms and conditions that he may deemfit and thus help us

Eviction notices have already been issued and as we will be sent out of the land early, we request that the C.I.T.B authorities may kindly be addressed re uesting them to stop further proceedings in this direction till the disposal of our our application by your goodself.

If our poor and reasonable request is not complied with by your goodself, we the poor signatories will be put to innumerable troubles and inconveniences and we will be compelled to spend our days under the shades of the tress or on the pials of the houses belonging to others.

That during the year 1948, an application was submitted to the then Chairman of the City Improvement board requesting him to provide us seperate places, at that time the said officer promised us that he would provide us suitable places and then acquisition proceedings of the land in question will be taken. Hope that our humble prayer would meet with success. For which act kindness and timely help, we shall ever remain grateful
